Note: Some proposed housekeeping for 'Family & Friends Dishes'...

- 1) Given the size of the dishes, we propose you come in the car. We will put the dish in your car, but we suggest you bring some oven gloves to carry the dish from your car to the table.
- 2) We suggest you make sure the table is laid up and ready for your arrival home
- 3) Do make sure you have made a sufficiently large 'landing pad' on the table for the dish!
- 4) We also suggest that you open the wine before leaving the house so that you can go straight to the table and enjoy your dinner while it's still hot!

We will take a £50 deposit for the dish and the lid. All we ask is that you return it to us the following day between midday and 5pm and we'll refund the deposit there and then - no need to clean it, we'll do all that
